

How the new FLABÉLOS shakes you to becoming slimmer, fitter and healthier!

KEEPING FIT JUST GOT EASIER! Developed based on the balancing theory in sport science, the new FLABÉLOS enhances proprioception (the body's natural reaction to external forces), using the muscles the body uses to balance itself to shake, shake, shake off the flab! All you need is just 10 minutes a day for a total body workout. The compact new FLABÉLOS is the ultimate workout machine that shakes you to becoming slimmer, fitter and healthier!
